

KUBOTA GARDEN FOUNDATION

VOLUNTEER OPPORTUNITIES

Garden Maintenance

Every Tuesday, Thursday, and seasonal Saturdays

Work with city gardeners on a variety of projects such as weeding, mulching, and raking.

Garden Greeters

Seasonal - Training required

Assist visitors on busy weekends and event days with their questions about the garden and administer visitor surveys.

Education and Tour Guide

Flexible schedule - Training required for Tour Guides

Join the education committee and help develop educational programs or share the garden's history and horticulture as a guide.

Plant Sales and Nursery

Biannual

Help plant sale customers select, purchase, and get plants to their cars. Other opportunities include caring for nursery plants between sales.

History and Archives

Flexible schedule

Join the history committee to preserve important documents, photos, newspaper clippings, and other resources associated with the garden.

Special Event Support

5–6 Summer events

Help set up equipment, check in guests, and depending on the event, support educators or performers.

Custom Group Volunteering

Coordinate a gardening or nursery project with us for your corporate or community event.
